

Every night I'm there, I'm always there, she knows I'm there,
and heaven knows, I hope she goes (Every night)

I find it hard to realize that love was in her eyes,
it's dying now, she knows I'm crying now,

And every night I'm there, I break my heart to please		
Eloise, Eloise		
Eloise the stars to please the night	You know I'm on my knees, yeah	
Eloise the sun that rays the light	I said please	
You're all I want so hear my prayer, my prayer		

My Eloise is like the stars that please the night,
the sun that makes the day, that lights the way Every night

And when my star goes by, I'll hold it in my hands and cry,
her love is mine, my sun will shine

And every night I'm there, I break my heart to please		
Eloise, Eloise		
Eloise the stars to please the night	You know I'm on my knees, yeah	
Eloise the sun that rays the light	I said please	
You're all I want you gotta hear my prayer, my prayer		

My Eloise, I'd love to please her, (aah aah aah aah)
I'd love to care, but she's not there (aah aah aah aah) (the-ere)

And when I find you, I'd be so kind, (aah aah aah aah)
you'd want to stay, I know you'd stay (aah aah aah aah) (stay-ay, stay-ay)

Du du du... La la la..

And as the days grow old, the nights grow cold,
I want to hold her near to me, I know she's dear to me Every time

And only time can tell and take away this lonely hell,
I'm on my knees to Eloise

And every night I'm there, I break my heart to please		
Eloise, Eloise		
Eloise the stars to please the night	You are my life so hear my prayer	
Eloise the sun that rays the light	You are the price, I know you're there	
You're all I want so hear my prayer my prayer		
You're all I need and I'm not there,		

you know I'm not there
no no no no ye ye ye ye ye ye

my Eloise, i got to to please her yea
she knows I'm gonna love her love her love her love her love her
My Eloise!
