

See the tree, how big it's grown
But friend it hasn't been too long It - wasn't big
I laughed at her and she got mad,
The first day that she planted it Was - just a twig

Then the first snow came and she would rush
To brush the snow away So - it wouldn't die
Came runnin' in so excited,
Slipped and almost hurt herself And I - had to cry

And honey, I miss you (honey I miss you)
and I'm feeling blue (I'm feeling blue)
And I'd love to be with you (I'd love to be with you)
if only I could (if I only could)

It would sure embarrass her
When I came home from workin' late 'Cause - I would know
That she felt bad and had been crying
Just because she watched a silly - TV show

One day unexpectedly
I caught her cryin' needlessly and - she would pray
And it was in the early spring
When flowers bloom and robins sing She - went away

And honey, I miss you (honey I miss you)
and I'm feeling blue (I'm feeling blue)
And I'd love to be with you (I'd love to be with you)
if only I could (aah aah aah)

One day while I was not at home
While she was there and all alone The - angels came (angels came)
Now all I have is memories of honey
And I wake up nights and - call her name (love sweet love)

Now my life's an empty stage
Where honey lived and honey played and - she had prayed (she had prayed)
A small cloud passes overhead
And cries down on the flower bed that - honey made (honey made)

And honey, I miss you (honey I miss you)
and I'm feeling blue (I'm feeling blue)
And I'd love to be with you (I'd love to be with you)
if only I could (if only I could...)
