

Di dip di di dip... wo o o o

Di dip di di dip... wo o o o

When I was just a little baby

I didn't have many toys

But my mama used to say to me

You got more than other boys

And you may not be good looking

And you may not be too rich

But you'll never ever be alone

Cause you've got lucky lips

Lucky lips are always kissing

Lucky lips are never blue

Lucky lips will always find

A pair of lips so true

Don't need a four-leaf clover

Rabbit's foot or a good luck charm

With lucky lips you'll always have

A baby in your arms

Di dip di di dip... wo o o o

I never get heartbroken

No, I'll never get the blues

And if I play that game of love

I know I just can't lose

When they spin that wheel of fortune

All I do is kiss my chest

And I know I'm bound to win the game

'Cause I've got lucky lips

Lucky lips are always kissing

Lucky lips are never blue

Lucky lips will always find

A pair of lips so true

Don't need a four-leaf clover

Rabbit's foot or a good luck charm

With lucky lips you'll always have

A baby in your a-a-arms

O o o lucky lips

O o o lucky lips

O o o lucky lips

O o o lucky lips
