La grande vie, Mange la vie
Marie si belle Marie vaisse-elle
Marie chandelle, Plume d'hirondelle

Fleur sans colline, Pleur en cuisine
Marie sans fard, Fleur de brouilla-a-ard

Si on chantait, Si on chantait, Si on chantait
Si on chantai-ai-ait La-la-la-la
Si on chantait La-la-la-la
Si on chantait La-la-la-la
Marie divine, si on chantait

Ce qui me peine, N'est pas que je t'aime
Le temps se lasse, Le cour efface
Parmi les femmes, Pourquoi le taire
Celles qui te ressemblent, Je les préfère

Marie divine, Sans mousseline
Dans ta cuisine, Je t'imagi-i-i-ine.

Di dip di di dip... wo o o o

Di dip di di dip... wo o o o

When I was just a little baby

I didn't have many toys

But my mama used to say to me

You got more than other boys

And you may not be good looking

And you may not be too rich

But you'll never ever be alone

Cause you've got lucky lips

Lucky lips are always kissing

Lucky lips are never blue

Lucky lips will always find

A pair of lips so true

Don't need a four-leaf clover

Rabbit's foot or a good luck charm

With lucky lips you'll always have

A baby in your arms

Di dip di di dip... wo o o o

I never get heartbroken

No, I'll never get the blues

And if I play that game of love

I know I just can't lose

When they spin that wheel of fortune

All I do is kiss my chest

And I know I'm bound to win the game

'Cause I've got lucky lips

Lucky lips are always kissing

Lucky lips are never blue

Lucky lips will always find

A pair of lips so true

Don't need a four-leaf clover

Rabbit's foot or a good luck charm

With lucky lips you'll always have

A baby in your a-a-arms

O o o lucky lips

O o o lucky lips

O o o lucky lips

O o o lucky lips

Hoe kon je rustig slapengaan
Alsof er niets was gebeurd
Nadat je mij had pijn gedaan
En heel mijn wereld had ontkleurd
'K heb me voortdurend afgevraagd
Wat ik in hemelsnaam misdeed
'K heb alle uren horen slaan
En elk moment opnieuw beweerd

Het kan niet zijn

Ik heb je liefde niet verloren

Wij waren voor elkaar geboren

'T was allemaal zo wondermooi

Het kan niet zijn

Ik heb je liefde niet verloren

Morgen wordt alles als tevoren

'T is enkel maar een kwade droom

'K heb jou sindsdien nooit meer gezien
Geen enkel woord meer gehoord
De tijd verzacht het leed misschien
Maar 't leven sleept eentonig voort
Stilaan wordt ik eraan gewend
Dat jij nu van een ander houdt
Maar heel mijn hart roept
Als ik denk dat hij jou in z'n armen houdt

REFREIN 1

Het kan niet zijn

Morgen wordt alles als tevoren

Er komt een einde aan m'n pijn

Want het kan niet zijn

Fairy tales can come true
It can happen to you If you're young at heart
For it's hard you will find
To be narrow of mind - when you're young at heart

You can go to extremes with impossible schemes
You can laugh when your dreams fall apart at the seams

And life gets more exciting with each passing day
And love is either in your heart or on it's way

Don't you know that it's worth
Every treasure on earth - To be young at heart
For as rich as you are
It's much better by far - to be young at heart

And if you should survive till a hundred and five
Look at all you derived Out of being alive

And here is the best part: You have a head start
If you are among the very young at heart

() When you're young at heart
() When you're young at heart
And if you should survive to a hundred and five
Look at all you'll derive Out of being alive

And here is the best part: You have a head start
If you are among the very young - at - heart

A place where nobody dared to go

The love that we came to know

They call it Xanadu | *It takes your breath it leaves you blind*

And now, open your eyes and see what we have made is real

We are in Xanadu | *I dream of it, we offer you*

A million lights are dancing and there you are, a shooting star

An everlasting world and you're here with me, eternally

Xanadu, Xanadu

(Now we are here) in Xanadu

Xanadu, Xanadu

(Now we are here) in Xanadu

Xanadu, your neon lights will shine , for you Xanadu

The love the echoes of long ago

You needed the world to know

They are in Xanadu | *With every breath you drift away*

The dream that came through a million years

That lived through all the tears

It came to Xanadu | *The dream you dream will happen for you*

A million light are dancing and you are, a shooting star

An everlasting world and you're here with me, eternally

Xanadu, Xanadu

(Now we are here) in Xanadu

Xanadu, Xanadu

(Now we are here) in Xanadu

Now that I'm here, now that you're near, in Xanadu

Now that I'm here, now that you're near, in Xa-na-du

Xanadu - u- u!

Je boek, je krant, je sigaret
Je warme sloffen naast ons bed
En je pleziertjes eens per week
De pijn wanneer je me ontweek

Je scherpe woorden aan 't ontbijt
De voorgewende vriendelijkheid
Waarmee je afscheid van me neemt
Het is me allemaal zo vreemd

Dag vreemde man Man van mijn dromen
Jij vreemde man Je komt en gaat
Dag vreemde man De tijd zal komen
Dan zeg ik stop Het is te laat

Je bent sarcastisch niet attent
Een haast onmogelijke vent
Ik ben je vrouw niet - meer alleen
Je hebt er andere om je heen

Je bent gevierd en populair
Je gaat op reis en - liefst heel ver
En wanneer kom je - nog eens thuis
Je wordt een vreemde in ons huis

Dag vreemde man Man van mijn dromen
Jij vreemde man Je komt en gaat
Dag vreemde man De tijd zal komen
Dan zeg ik stop Het is te laat

Dag vreemde man Man van mijn leven
Ach wie ben jij, waar ga je heen
Dag vreemde man, niets is gebleen
voor jou en mij, jij blijft alleen

Waar ben je nou
Ik hou van jou

See the tree, how big it's grown
But friend it hasn't been too long It - wasn't big
I laughed at her and she got mad,
The first day that she planted it Was - just a twig

Then the first snow came and she would rush
To brush the snow away So - it wouldn't die
Came runnin' in so excited,
Slipped and almost hurt herself And I - had to cry

And honey, I miss you (honey I miss you)
and I'm feeling blue (I'm feeling blue)
And I'd love to be with you (I'd love to be with you)
if only I could (if I only could)

It would sure embarrass her
When I came home from workin' late 'Cause - I would know
That she felt bad and had been crying
Just because she watched a silly - TV show

One day unexpectedly
I caught her cryin' needlessly and - she would pray
And it was in the early spring
When flowers bloom and robins sing She - went away

And honey, I miss you (honey I miss you)
and I'm feeling blue (I'm feeling blue)
And I'd love to be with you (I'd love to be with you)
if only I could (aah aah aah)

One day while I was not at home
While she was there and all alone The - angels came (angels came)
Now all I have is memories of honey
And I wake up nights and - call her name (love sweet love)

Now my life's an empty stage
Where honey lived and honey played and - she had prayed (she had prayed)
A small cloud passes overhead
And cries down on the flower bed that - honey made (honey made)

And honey, I miss you (honey I miss you)
and I'm feeling blue (I'm feeling blue)
And I'd love to be with you (I'd love to be with you)
if only I could (if only I could...)

Her name was Lola, she was a showgirl
With yellow feathers in her hair and a dress cut down to there

She would merengue and do the cha-cha
And while she tried to be a star Tony always tended bar
Across the crowded floor, they worked from eight til four

*They were young and they had each other
Who could ask for more?*

They fell in love (Copa, Copacabana)

His name was Rico, He wore a diamond
He was escorted to his chair,
he saw Lola dancing there

And when she finished, he called her over
But Rico went a bit to far
Tony sailed across the bar

And then the punches flew, and chairs were smashed in two

*There was blood and a single gun shot
But just who shot who?*

But that was thirty years ago, when they used to have a show

Now it's a disco, but not for Lola
Still in the dress she used to wear Faded feathers in her hair

She sits there so refined, and drinks herself half-blind

*She lost her youth and she lost her Tony
Now she's lost her mind*

Hoe sterk is de eenzame fietser
die krom gebogen over zijn stuur tegen de wind
Zichzelf een weg baant

Hoe zelfbewust de voetballer
die voor de ogen van het publiek de wedstrijd wint
Zich kampioen waant

Hoe lang ver genoeg de zakenman
zonder mededogen die concurrent verslagen vindt
Zelf haast failliet gaand

En ik zit hier tevreden met die kleine op mijn schoot
De zon schijnt tenminste met reden
Met rotweer en de harde wind
Te gaan fietsen met dat kind

Met die wind en dat kind, met die wind en dat kind

Met die wind en dat kind, met die wind en dat kind

Als hij maar geen voetballer wordt

Ze schoppen hem misschien half doooood

Oh ze schoppen hem voetballend dood

half dood, half dood

in het voetbal groot half dood

ze schoppen hem

ach ze schoppen hem

in het voetbal dood

maar zo wordt ie groot

voetballend groot

Als hij maar geen voetballer wordt

Ze schoppen hem misschien half doooood

ach zo wordt dat kind toch voetballend groot

Maar liever dat nog

Dan een bord voor zijn kop van de zakenman

Want daar wordt ie alleen maar slechter van

Each morning I get up I die a little
Can barely stand on my feet
(Take a look at yourself) Take a look in the mirror and cry (and cry)
Lord, what you're doing to me (yeah yeah)

I spent all my years in believing you
But I just can't get no relief, Lord!

Somebody (somebody) ooh somebody (somebody)
Can anybody find me somebody to love?

I work hard (he works hard) every day of my life
I work 'til I ache my bones
At the end (at the end of the day)
I take home my hard earned pay all on my own (you just keep working)
I get down (down) on my knees (knees)
And I start to pray (praise the Lord)
Til the tears run down from my eyes Lord

Somebody (somebody), ooh somebody (somebody)
Can anybody find me somebody to loooooove?

(He works hard) Everyday (everyday) I try and I try and I try
But everybody wants to put me down
They say I'm going crazy
They say I got a lot of water in my brain
Ah, got no common sense
I got nobody left to believe in
Yeah yeah yeah yeah yea!

(tussenspel)

Oh, Lord Ooh somebody, ooh somebody
Can anybody find me -- somebody to love?
(Can anybody find me someone to love)

I got no feel, I got no rhythm
I just keep losing my beat (you just keep losing and losing)
I'm OK, I'm alright (he's alright, he's alright)
I ain't gonna face no defeat (yeah yeah)
I just gotta get out of this prison cell
One day I'm gonna be free, Lord!

Find me somebody to love (4x)
Find me somebody to love (4x)
Somebody (somebody) somebody (somebody)
Somebody find me
Somebody find me somebody to love
Can anybody find me
somebody to --- lo-o-o-o-ove?

In a little while from now
If I'm not feeling any less sour
I promise myself to treat myself
And visit a nearby tower

To think that only yesterday
I was cheerful, bright and gay
Looking forward to - who wouldn't do
The role I was about to play?

And climbing to the top and show my anger off
In an effort to make it clear to who - ever
What it's like when you're shattered
Left standing in the lurch at a church
Where people saying: "My God, that's tough"
"She stood him up"
"No point in us remaining"
"We may as well go home"
As I did on my own
Alone again, naturally

But as if to knock me down Reality came around
And without so much as a mere touch
Cut me into little pieces
Leaving me to doubt
Talk about God in His mercy
Who if He really does exist
Why did He desert me?
In my hour of need
I truly am indeed
Alone again, naturally

*It seems to me that there are more hearts
Broken in the world that can't be mended
Left unattended
What do we do? What do we do?
(tussenspel)*

Looking back over the year
Whatever else appeared
I remember I cried when my - father died
Never wishing to hide my tears
And at eighty-two years old
My mother deep in her soul
Could not understand why the only man
She had ever loved had been taken
Leaving her to start with a heart so badly broken
Despite encouragement from me
No words were ever spoken
When he passed away
I cried and cried all day
Alone again, naturally
Alone again, naturally

1 Our dad would send us to our room
He'd be the voice of doom
He said that we would thank him later
All day he was solid as a rock
But by eight o'clock
We'd be crumbling

2 One night My brother Joe and me
Climbed down the family tree
That grew outside our bedroom window
We ran though we knew it couldn't last
Running from the past
From things that we were born to be

**3 Looking back it's so bizarre
It runs in the family
All the things we are
On the back seat of the car
With Joseph and Emily
We only see so far
And we all have our daddy's eyes
Looking back it's so bizarre**

8 *Like a dream within a dream
We were somewhere in between
Like a drummer plays his drum
Like a father like a son
You're gonna have to face the music oh yea, yea yea
Face the music*

9 Hey hey We keep it running in the family
Hey hey We keep it running in the famil
Hey hey We keep it running in the family
Hey hey We keep it coming in the family

4 Dad rang the officer in charge
A man so large
He barely fit his circumstances
He said two kids out on the street
Were picked up on the beat
on the station

5 So there's me With Emily and Joe
and daddy's driving home
All heading in the same direction
He knew no matter what the breaks
We'd make the same mistakes
Couldn't take his eyes of Joe and me

Do you remember the twenty first night of September?
Love was changin' the minds of pretenders
While chasin' the clouds away

Our hearts were ringin' in the key that our souls were singin'
As we danced in the night, remember
How the stars stole the night away

Pa pa paya

Ba-dee-ya, say, do you remember?

Ba-dee-ya, dancin' in September

Pa-dee-ya, never was a cloudy day

Ba-du-da, ba-du-da, ba-du-da, ba-du-da ... (2x)

Ba yu da di dee

My thoughts are with you, holdin' hands with your heart to see you
Only blue talk and love, remember
How we knew love was here to stay

Now December, found the love that we shared in September
Only blue talk and love, remember, true love we share today

Ba-dee-ya, say, do you remember?

Ba-dee-ya, dancin' in September

Pa-dee-ya, never was a cloudy day

And was a

Ba-dee-ya, say, do you remember?

Ba-dee-ya, dancin' in September

Pa-dee-ya, golden dreams were shiny days

The bell was ringin', ah, ah

Our souls were singin'

Do you remember every cloudy day?

Yow!

Ba-dee-ya, say, do you remember?

Ba-dee-ya, dancin' in September

Pa-dee-ya, never was a cloudy day

Ba-dee-ya Dee-ya dee-ya

I know it's hard for you my baby
Because it's hard for me my baby
And the darkest hour is just before dawn

**Each night before you go to bed my baby
Whisper a little prayer for me my baby
And tell all the stars above

Every night I'm there, I'm always there, she knows I'm there,
and heaven knows, I hope she goes (Every night)

I find it hard to realize that love was in her eyes,
it's dying now, she knows I'm crying now,

And every night I'm there, I break my heart to please	
Eloise, Eloise	
Eloise the stars to please the night	You know I'm on my knees, yeah
Eloise the sun that rays the light	I said please
You're all I want so hear my prayer, my prayer	

My Eloise is like the stars that please the night,
the sun that makes the day, that lights the way Every night

And when my star goes by, I'll hold it in my hands and cry,
her love is mine, my sun will shine

And every night I'm there, I break my heart to please	
Eloise, Eloise	
Eloise the stars to please the night	You know I'm on my knees, yeah
Eloise the sun that rays the light	I said please
You're all I want you gotta hear my prayer, my prayer	

My Eloise, I'd love to please her, (aah aah aah aah)
I'd love to care, but she's not there (aah aah aah aah) (the-ere)

And when I find you, I'd be so kind, (aah aah aah aah)
you'd want to stay, I know you'd stay (aah aah aah aah) (stay-ay, stay-ay)

Du du du... La la la..

And as the days grow old, the nights grow cold,
I want to hold her near to me, I know she's dear to me Every time

And only time can tell and take away this lonely hell,
I'm on my knees to Eloise

And every night I'm there, I break my heart to please	
Eloise, Eloise	
Eloise the stars to please the night	You are my life so hear my prayer
Eloise the sun that rays the light	You are the price, I know you're there
You're all I want so hear my prayer my prayer	
You're all I need and I'm not there,
