

1 Our dad would send us to our room  
He'd be the voice of doom  
He said that we would thank him later  
All day he was solid as a rock  
But by eight o'clock  
We'd be crumbling

2 One night My brother Joe and me  
Climbed down the family tree  
That grew outside our bedroom window  
We ran though we knew it couldn't last  
Running from the past  
From things that we were born to be

**3 Looking back it's so bizarre  
It runs in the family  
All the things we are  
On the back seat of the car  
With Joseph and Emily  
We only see so far  
And we all have our daddy's eyes  
Looking back it's so bizarre**

8 *Like a dream within a dream  
We were somewhere in between  
Like a drummer plays his drum  
Like a father like a son  
You're gonna have to face the music oh yea, yea yea  
Face the music*

9 Hey hey We keep it running in the family  
Hey hey We keep it running in the famil  
Hey hey We keep it running in the family  
Hey hey We keep it coming in the family

**10 REFREIN**

12 Running in the family ( )  
Running in the family  
And we all have our daddy's eyes  
Looking back it's so bizarre bizarre

13 Running in the family-y  
Running in the family-y  
Hey hey We keep it running in the family  
Hey hey We keep it running in the family - hey hey!

4 Dad rang the officer in charge  
A man so large  
He barely fit his circumstances  
He said two kids out on the street  
Were picked up on the beat  
on the station

5 So there's me With Emily and Joe  
and daddy's driving home  
All heading in the same direction  
He knew no matter what the breaks  
We'd make the same mistakes  
Couldn't take his eyes of Joe and me

**6 REFREIN**

**7 Looking back it's so bizarre  
It runs in the family  
All the things we are  
Looking back it's so biza-a-a-rre**

**11 Take me back into your arms  
It's no longer a mystery  
No cause for alarm  
Could have never come this far  
With no sense of history  
It always leaves a scar  
And we all have our daddy's eyes  
Looking back it's so bizarre  
Woo yea**
