

A place where nobody dared to go

The love that we came to know

They call it Xanadu | *It takes your breath it leaves you blind*

And now, open your eyes and see what we have made is real

We are in Xanadu | *I dream of it, we offer you*

A million lights are dancing and there you are, a shooting star

An everlasting world and you're here with me, eternally

**Xanadu, Xanadu**

**(Now we are here) in Xanadu**

**Xanadu, Xanadu**

**(Now we are here) in Xanadu**

***Xanadu, your neon lights will shine , for you Xanadu***

The love the echoes of long ago

You needed the world to know

They are in Xanadu | *With every breath you drift away*

The dream that came through a million years

That lived through all the tears

It came to Xanadu | *The dream you dream will happen for you*

A million light are dancing and you are, a shooting star

An everlasting world and you're here with me, eternally

**Xanadu, Xanadu**

**(Now we are here) in Xanadu**

**Xanadu, Xanadu**

**(Now we are here) in Xanadu**

Now that I'm here, now that you're near, in Xanadu

Now that I'm here, now that you're near, in Xa-na-du
